PTP's ONLINE REGISTRATION

Our Mission...

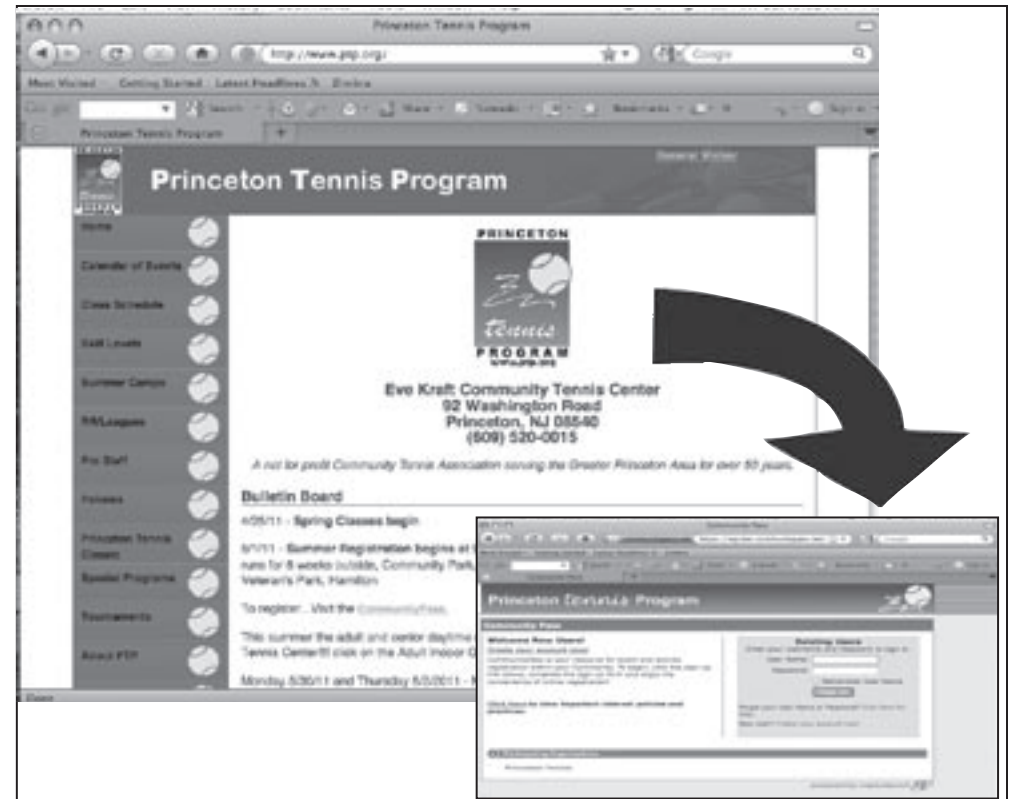

The Princeton Tennis Program is, by tradition and choice, a year-round, nonprofit tennis organization for children and adults of Princeton and surrounding New Jersey communities.

As a tennis association, we pursue a standard of excellence in teaching that encourages the development of health, character, good sportsmanship and responsible citizenship.

The Program seeks broad-based community participation by subsidizing lesson fees and establishing scholarship programs for applicants unable to meet costs. Whenever possible, the Program will provide assistance and support to other groups and communities.

Our History...

PTP is proud to offer tennis instruction to everyone between 3 and 95 years of age. Founded in 1954 by Eve Kraft and John Conroy (both charter members of the Mercer County Tennis Hall of Fame), over 120,000 local residents have participated in PTP programs. Winner of many regional and national awards, PTP has served as a model program for communities across the country and was voted one of the top fifty tennis organizations by Tennis Magazine. PTP has been named Organization of Year by the USTA/NJ district and Middle States section. In 1999 we were 1 of just 8 organizations nationwide to be recognized for our outstanding achievement in USA tennis programming. In 2000 and 2010 we were named Organization of the Year by the USTA Middle States Section and the New Jersey District. In 2002 we expanded our outdoor program to include Veteran's Park in Hamilton which gives us access to 30 additional tennis courts. In December 2008 PTP purchased Princeton Indoor Tennis Center, and in January 2009 PTP moved the offices into the facility. August 28, 2009 there was a dedication ceremony to officially change the name of the tennis facility to the Eve Kraft Community Tennis Center, home of the Princeton Tennis Program.

About USTA Jr. Team Tennis

USTA Jr. Team Tennis brings kids together in teams to play singles, doubles and mixed doubles against other teams. It promotes social skills and important values by fostering a spirit of cooperation and unity, as well as individual self-growth. Also, it's a fun environment for kids in which they learn that succeeding is really more about how they play the game – win or lose.

How does it work?

This is a USTA sanctioned program. Juniors must be USTA members to participate. Jr. Team Tennis is for juniors ages 9-14 that can play full - court tennis. Each team is comprised of 3 boys and 3 girls. Please make sure you register your child for the right gender through your PTP Community Pass Account (no cost). Once your child is placed on a team, you will need to register your child on TennisLinks through the USTA website (fee:\$45.00). Upon registration each team will receive a 6-week home and away schedule and enables the team to qualify for the District Event held in July. Our home courts will be Community Park in Princeton. Each week you can expect your child to have opportunities to play singles, doubles, and mixed doubles with this format.
